Good afternoon Ann,

Attached are the Q2 and Q3 results for Pacific Coast Sprouts Farm. I will place the results from the lab into the mail. You should have them by the end of the week.
Just for your info: I will be sending (2) samples of effluent water tests with results coming from the facility and R1 & R2. You will also get the results from our annual fishy test.
Please let me know if you have any further questions.

Dan
