**Table IMP-3**
**Conservation and Open Space Element Implementation Programs**

| Implementation Programs | Implements What Policies | Who is Responsible | Timeframe | | | |
|---|---|---|---|---|---|---|
| | | | Near Term | Mid Term | Long Term | On-going |
| **COS-A: Annual Review**<br>The City should annually review General Plan goals, policies, and implementation programs and identify City priorities and any quantifiable objectives that should be addressed for the upcoming fiscal year. | All COS policies | City Council<br>City Manager | | | | ■ |
| **COS-B: Flood Protection Ordinance**<br>The City should monitor and update the flood protection ordinance to assure adequate flood controls. | COS-1.1<br>COS-1.2 | City Manager<br>Public Works Director | | | | ■ |
| **COS-C: Aquifer Monitoring**<br>The City should prepare and regularly update a Water Supply Master Plan to monitor any activities that may degrade the aquifers of Cosumnes River, Laguna Creek, Skunk Creek, and Dry Creek and affect City water supplies. | COS-1.6<br>COS-1.8 | City Manager<br>Public Works Director | ■ | | | ■ |
| **COS-D: Visual Accessibility of Floodplains**<br>The City should include in the floodplain ordinance a requirement for direct roadway access of the entire length of any particular stream (perennial or intermittent) and associated floodplain section being developed (both sides). This should include an explanation of the nexus between the requirement and the impact of development. | COS-1.17 | City Council<br>Planning Commission<br>Community Development Director | ■ | | | |
| **COS-E: Infill Development Priority**<br>The City should adopt incentives for implementing infill development near job centers and transportation nodes. Incentives can include, but are not limited to, building permit fee waiver, parking standard reductions, etc. | COS-5.3 | City Council<br>Planning Commission<br>Community Development Director | ■ | | | |
| **COS-F: City Fleet Vehicles**<br>The City should adopt a program for the phased replacement of City fleet vehicles with low-emission technology vehicles, as appropriate. | COS-6.4<br>COS-6.5 | City Council<br>City Manager | ■ | | | ■ |

**Table IMP-3**
**Conservation and Open Space Element Implementation Programs**

| Implementation Programs | Implements What Policies | Who is Responsible | Timeframe | | | |
|---|---|---|---|---|---|---|
| | | | Near Term | Mid Term | Long Term | On-going |
| **COS-G: Support Energy Conservation Legislation**<br>The City shall support legislation that promotes cleaner industry, lowest emission technology vehicles, and more efficient-burning engines and fuels. | COS-7.1<br>COS-7.2 | City Council<br>City Manager | | | | ■ |
| **COS-H: City Facilities**<br>The City should upgrade existing City facilities so that energy use can be derived from sustainable energy sources by 2020. This can include, but is not limited to, the installation of solar panels or by purchasing electricity from service providers that use renewable energy sources. | COS-7.9 | City Council<br>City Manager | | | | ■ |
| **COS-I: Energy Efficiency**<br>The City should encourage new housing units be constructed to meet and/or exceed LEED Certified energy efficiency standards. | COS-7.11 | City Council<br>City Manager | | | | ■ |
| **COS-J: Energy Conservation Features**<br>The City shall coordinate with utility providers to provide City residents with information on a variety of energy conservation features including tree planting programs, energy efficient development, and increased use of renewable energy sources. | COS-7.17 | City Manager<br>Community Development Director | ■ | | | ■ |
| **COS-K: Greenhouse Gas Emissions Reduction Plan**<br>The City will prepare and adopt a Greenhouse Gas Emissions Reduction Plan. | COS-7.1 | City Manager<br>City Council<br>Community Development Director<br>Public Works Director | ■ | | | |
| **COS-L: Green Construction**<br>The City shall amend the municipal code as necessary to remove barriers to green construction. | COS-7.1<br>COS-7.18 | Community Development Director<br>Public Works Director | ■ | | | |

**Table IMP-7**
**Land Use Element Implementation Programs**

| Implementation Programs | Implements What Policies | Who is Responsible | Timeframe | | | |
|---|---|---|---|---|---|---|
| | | | Near Term | Mid Term | Long Term | On-going |
| **LU-A: Sphere of Influence**<br>The City should request that the Sacramento Local Agency Formation Commission (LAFCO) modify Galt's sphere of influence consistent with the long-term growth plans reflected in the General Plan. | LU-1.5 | City Council<br>Planning Commission<br>Community Development Director | ■ | | | |
| **LU-B: Habitat Conservation Plan**<br>The City should work with Sacramento County to identify and protect critical species habitat as shown in the proposed South Sacramento County Habitat Conservation Plan. | LU-1.10 | City Council<br>City Manager<br>Community Development Director | | | | ■ |
| **LU-C: Landscape and Lighting District**<br>The City should explore the use of a citywide Landscape and Lighting District and other programs to fund landscape maintenance. | LU-3.3<br>LU-5.4<br>CC-4.2 | City Manager<br>Public Works Director | | | | ■ |
| **LU-D: Annual General Plan Reviews**<br>The City Council should review the General Plan annually, focusing principally on actions undertaken in the previous year to carry out the implementation programs of the plan. | LU-11.1<br>LU-11.2 | City Council<br>Planning Commission<br>City Manager<br>Community Development Director | | | | ■ |
| **LU-E: Major General Plan Reviews**<br>The City should conduct a major review of the General Plan, including the General Plan Policy Document and Existing Conditions Report, beginning every ten years from the date of final approval of this General Plan, and should revise it as deemed necessary. | LU-11.1 | City Council<br>Planning Commission<br>City Manager<br>Community Development Director | | ■ | | ■ |
| **LU-F: Ordinance Consistency**<br>The City should review and amend, as necessary, applicable ordinances, regulations, and plans referenced herein to ensure consistency with the General Plan. These shall include, but not be limited to, the Park Master Plan, Bicycle and Pedestrian Plan, Landscape Manual, and Building Code. | LU-1.15<br>LU-4.7<br>LU-6.4<br>LU-8.5<br>LU-11.2<br>CC-1.9<br>C-4.1<br>C-4.2<br>N-1.5 | City Council<br>City Manager<br>Community Development Director<br>Building Official<br>Public Works Director | ■ | | | ■ |
