Subject: February 8, 2017 BOARD MEETING (Conservation Extended Regulation)
Date: Friday, February 03, 2017 1:54:24 PM

Your Board needs to rescind all drought regulations.

Snow pack is 173% of normal and equals 28.1 inches of water when melted
- almost 250% of normal!

Please let us little people live our lives and stop your control over us.

We helped California get through the worst of the drought - now it's time for
you to do the right thing and help the folks.

Tom Lindemann
Fresno, CA
