Subject: Walker Mine - Additional Search Request

Hello again Rachael,

In addition to my search request earlier this morning, I would like to know if File Number 2218, Hist. & Misc Agreements & Leases contains any information pertaining to the Walker Mine?

If not, do you have any idea where we might find information related to operating agreements or contracts between Walker Mining Company and Anaconda or International Smelting and Refining Company?

Thank you,

Jeff S. Huggins
