John Muller, Chair
S.F. Bay Regional Water Board
1515 Clay Street Suite 1400
Oakland, Ca. 94612

Dear Mr. Muller
The San Francisco Bay and other water ways are full of all sorts of trash. Some places where we fish for recreation, this trash kills the marine life and the fish should not be eaten. We deserve the highest level of clean up to our bay waters.

I am Respectfully,
Allie V. Mason
