CALIFORNIA REGIONAL WATER
MAR 20 2009
QUALITY CONTROL BOARD

John Muller
SF Bay Regional
Water Board
1515 Clay St. #1400
Oakland 94612

Dear Mr. Muller,

I am writing to request that the Water Board pushes for a zero tolerance policy in regard to trash hot spots. Cities and counties can go further to provide families with clean parks, cities, and beaches.

Thanks for notifying us.

Sincerely,
