DEAR MR. MULLER:

The S.F. Bay is filled with Trash. This affects Water Quality, Kills Marine Wildlife, and destroys Recreation.

The Boards Proposed Permit Does Not Go far Enough!, requiring cities & counties to meet a cleanup level of 100 pieces of trash for every 100 feet in a trash "Hot Spot" too little for our Bay which deserves the highest level of protection & SO DO WE - ZERO trash!

Fiona Mauchlan
