John Muller, Chair
S.F. Bay Regional Water Board
1515 Clay St, Ste 1400
Oakland CA 94612

Dear Mr. Muller:

I am writing this letter to you to convey my dismay at the levels of trash in the SF Bay. Trash in the bay destroys recreation, impacts my water quality, and kills marine wildlife of all kinds. I appreciate the Board's proposed limit of 100 pieces of trash for every 100 feet of trash "hot spots", but I would like to kindly ask you to increase the proposed permit to require 0 pieces of trash per 100 feet. If people are going to be required to clean up the trash, lets go all the way & clean it ALL UP. Thank you.

Sincerely,

Sharon Nelson
