Good morning Rachael,

Thanks for the good news. We are still interested in any information that shows Anaconda's or International Smelting's involvement in day to day operations or decisions of management of the Walker Mine and Walker Mining Company. Any contracts, operator, or management agreements that discuss those roles would be very useful.

So far, in all of the documents reviewed we have seen no indication that J.R. Walker, President of Walker Mining Company made any of those decisions. If you run across anything that indicates that J.R. Walker was making any decisions for the Walker Mine or was being informed of activities at the Walker Mine, we would appreciate you bringing it to our attention.

We would like to have the following files scanned and sent to us at your earliest convenience:

219.04 Correspondence Gidel and Others
219.05 Correspondence Various
220.05 Correspondence Lyon?, 1939
220.06 Correspondence Lyon, Dugan, 1939
220.07 Report with graphics Droubay 1939
221.02 Correspondence Sales, Droubay, 1940
221.06 Correspondence Droubay, 1940
303.04 Report without graphics Hartmann, 1941
16303.01 Historical Various, 1932
16304.1 Report without graphics Cowan, 1915
16304.02 Report without graphics Billingsley, 1923
16304.30 Report without graphics Hart, 1926

On another more cryptic matter, in a 29 September 2011 email (attached), you mentioned to me that you had found a letter that I had referenced dated July 1st, 1941. For some unknown reason, I have no copy of the July 1st 1941 letter. If you have any idea of how to find that July 1st 1941 letter, I would like to have it scanned also.

Many thanks in advance for your assistance.

Hi Jeff,

I checked with our bookkeeper and the check has arrived. Let me know if you'd like to start placing duplication orders, etc., and we'll get started on them.

Best,
Rachael

Good morning, Jeff,

I just checked with our business office and we haven't received the membership check yet. I've asked our bookkeeper to let me know as soon as it arrives, though.

Thanks for following up--and let me know if there's anything that I can do to help in the meantime.

Best,
Rachael
