I NEED TO BE CONSIDERED A DESIGNATED PARTY FOR PURPOSES OF THE REGIONAL WATER QUALITY CONTROL BOARD PUBLIC HEARING RE: MULE CREEK STATE PRISON WASTEWATER/STORMWATER DISCHARGE BECAUSE THE ULTIMATE GOAL FOR DISPOSAL IS A 100 ACRE PARCEL APPROX. 200 YARDS FROM MY DOMESTIC WELL. (CONNECTION MADE BETWEEN MY WELL & IONE POND-7)

ALSO MULE CREEK PRISON DISPOSED OF WASTE-WATER VIA IONE'S PERCOLATION PONDS FOR MANY YEARS, CONTAMINATING ONE OF OUR WELLS SO BADLY IT HAD TO BE ABANDONED. (2006)

THE WATER THAT PERCOLATES DOWN THROUGH THE BOTTOM OF THE MULE CREEK CHANNEL ENDS UP UNDER MY PROPERTY, IN MY WELLS
