Project Applicant	Santa Barbara County Public Works – Morgan Jones
Applicant's Agent	Self-Representing
Project Name	Foothill Road Low Water Crossing Replacement
Receiving Water	Cuyama River
City/County	Cuyama Valley / Santa Barbara
Public Notice	October 22, 2018 – November 12, 2018
Project Description	The purpose of this project is to construct a new bridge to allow for safe crossing of the Cuyama River in all weather conditions. The project activities include: • Constructing the bridge 1430 feet in length with abutment supports at either end founded on five 30 inch-diameter cast-in-drilled-hole piles; • Using a cast-in-place reinforced concrete slab for the bridge deck; • Placing concrete barriers on each side of the two traffic lanes; and • Constructing a pedestrian walkway at the edge of the bridge deck with metal picket hand railing. Proposed Mitigation: Restoring 0.33 acres of streambed and 0.55 acres of riparian area. Preserving 10.5 acres of non-federal waters. Santa Barbara County filed a Mitigated Negative Declaration.
