City of Kerman
Project No.: C-06-5150-110

AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009
SECTION 1511 CERTIFICATION

The authorized representative of the State Water Board hereby certifies, and/or affirms that the Wastewater Treatment Plant Upgrade and Expansion Project (Project) has received the full review and vetting required by law and that such representative accepts responsibility that the Project is an appropriate use of taxpayer dollars. The following general description is provided in order to comply with Section 1511 of American Recovery and Reinvestment Act of 2009 (ARRA):

- Project description: The Project generally consists of increased capacity, a more efficient treatment system, and nitrogen removal, as more particularly described in the financial assistance application of the City of Kerman.

- Estimated total cost of the Project: The estimated reasonable cost of the total Project, including associated planning and design costs, is seven million eight hundred twenty-one thousand eight hundred ninety-eight dollars and no cents ($7,821,898.00).

- Type of assistance: Long-term financing with partial principal forgiveness.

- Estimated amount of ARRA funds to be used: Two million dollars and no cents ($2,000,000.00).
