Dear Mr. Howard:

We are in receipt of your April 20, 2015, letter requesting a final plan for Stanislaus River operations this year, and you requested that the plan be transmitted to you by today, April 27, 2015.

We are actively preparing the requested information in coordination with Oakdale Irrigation District and South San Joaquin Irrigation District, but Reclamation requests additional time to compile and review all information comprising the plan before forwarding it to you. We request an extension to May 5, 2015, for our submittal of this request.

Thank you for your consideration. Please contact me at 916-979-2199, if you have any questions.

Sincerely,

Ronald Milligan  
Operations Manager
