NOTICE OF AVAILABILITY FOR PUBLIC COMMENT AND NOTICE OF PUBLIC MEETING ON AN AMENDMENT TO THE WATER QUALITY CONTROL PLAN FOR THE LAHONTAN BASIN TO CLARIFY MOJAVE RIVER BENEFICIAL USE DESIGNATIONS, UPDATE SITE CLEANUP, LAND DISPOSAL AND BISHOP UNDERGROUND TANK POLICY SECTIONS, AND OTHER EDITORIAL REVISIONS

NOTICE IS HEREBY GIVEN THAT the State Water Resources Control Board (State Water Board) is seeking written public comments on the Lahontan Regional Water Quality Control Board's (Lahontan Water Board) final amendment to the Water Quality Control Plan for the Lahontan Basin (Basin Plan) to Clarify Mojave River Beneficial Use Designations, Update Site Cleanup, Land Disposal and Bishop Underground Tank Policy Sections and Other Editorial Revisions.

BACKGROUND

The Lahontan Water Board adopted the Basin Plan amendment on June 8, 2022 by [Resolution No. R6T-2022-0021](#). The Basin Plan amendment includes revisions to clarify the beneficial use designations for the Mojave River and correct errors in Chapter 2 (Present and Potential Beneficial Uses), inserts language in Chapter 3 (Water Quality Objectives) to describe the statewide mercury water quality objectives, updates language in Chapter 4 (Implementation) related to Site Cleanup, Land Disposal and Underground Storage Tanks, and in Chapter 6 (Plans and Policies) related to State Water Board Plans and Policies.

Some elements in the amendment involve actions that have already been analyzed under the California Environmental Quality Act (CEQA) and no new information triggers the need for supplemental or subsequent CEQA analysis. Other elements involve revising the structure, syntax, cross-reference, grammar, or punctuation in the Basin Plan. Therefore, the amendment does not have the potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment. Consequently, no additional CEQA documentation required for certified regulatory programs is needed for this basin planning action. (Cal. Code Regs., tit. 23, §3720, subs. (b), (c)(2).)
