

Clean Water State Revolving Fund (CWSRF) Updated State Fiscal Year (SFY) 2021/22 CWSRF Comprehensive List and Application Status Report

Updated as of January 1, 2022

This report represents the current SFY 2021/22 CWSRF Comprehensive List, as of January 1, 2022. Projects denoted as appearing on the CWSRF Fundable List represent the current SFY 2021/22 CWSRF Fundable List (Fundable List). In accordance with the Policy for Implementing the Clean Water State Revolving Fund and the SFY 2021/22 CWSRF Intended Use Plan (IUP), the current Fundable List includes projects for small disadvantaged communities with complete applications, projects that scored 12 or higher in the State Water Board's priority scoring process for SFY 2021/22, and projects rolling over from the previous year's Fundable List.

Please contact your project manager if you are actively working on a CWSRF application and you have questions regarding:

1. The status of your submittals and/or the content of this report, or
2. Your project is not reflected below.

Please provide public comments within 30 days of this posting to CleanWaterSRF@waterboards.ca.gov.

Notes:

- a. If a date is provided in this column, materials provided by applicants are sufficient to begin staff level review. Even if a package is received, the applicant may be asked to submit additional documentation to satisfy questions or comments.
- b. If the staff level review is complete for all four packages, this will indicate that a 'Funding Decision is in Process'.
