#### **PURPOSE OF HEARING**

The purpose of this hearing is for the State Water Resources Control Board (State Water Board or Board): 1) to receive evidence relevant to determining whether Kimberly Pfendler Trust (Respondent) violated regulations or the terms or conditions of any permit or license requiring the filing of a Progress Report by Permittee or Report of Licensee (collectively, Annual Water Use Report); and 2) if a violation occurred, to determine the amount of administrative civil liability and adopt an order imposing civil liability upon the Respondent. Specific allegations related to the alleged violation are set forth in the administrative civil liability complaint (ACL Complaint).

#### **BACKGROUND**

For the 2015 calendar year, California Code of Regulations, title 23, sections 925 and 929 require permittees and licensees, respectively, to submit an Annual Water Use Report no later than July 1 of each year. (Cal. Code Regs., tit. 23, §§ 925, subd. (b); 929, subd. (b); see also Wat Code, §§ 1840–1841; Office of Admin. Law, Notice of Approval of Emergency Regulatory Action, Matter No. 2016-0310-01, March 21, 2016, pp. 14–16.) These reports must be filed

FELICIA MARCUS, CHAIR | THOMAS HOWARD, EXECUTIVE DIRECTOR

electronically using the Report Management System—a component of the electronic Water Right Information Management System.

The failure to file an Annual Water Use Report is a violation of the terms of the permit or license. Water Code, section 1846, subdivision (a) allows the State Water Board to impose administrative civil liability against any person who violates a regulation or order adopted by the Board or who violates a term or condition of a water right permit, license, registration, or certificate. The Board may impose administrative civil liability in the amount of \$500 per day for each day in which the violation occurs.

On November 28, 2016, the State Water Board, Division of Water Rights (Division) issued an ACL Complaint alleging that failure to file an annual water use report before the deadline. The ACL Complaint alleges that the Respondent violated California Code of Regulations, title 23, section 929 and recommends the imposition of administrative civil liability in the amount of \$10,000. The maximum liability for the violations alleged is \$75,000.

The State Water Board's decision will be based upon evidence in the record developed at the hearing. Parties should submit exhibits and testimony responsive to the following issues:

- 1) Was Respondent required to file an Annual Water Use Report for 2015? This includes, but is not limited to consideration of any of the following issues:
  - a) Did any regulation adopted by the Board require the Respondent to file an Annual Water Use Report for 2015?
  - b) Did any order adopted by the Board require the Respondent to file an Annual Water Use Report for 2015?
  - c) Did any term or condition of any permit or license require the Respondent to file an Annual Water Use Report for 2015?
- 2) Did the Respondent file an Annual Water Use Report for 2015?
- 3) If a violation of any State Water Board regulation or order or a violation of the terms or conditions of any permit or license occurred, should the Board impose administrative civil liability and, if so, in what amount and on what basis? In determining the amount of civil liability, the Board must take into consideration all relevant circumstances, (Wat. Code, §1055.3), including but not limited to:
  - a) What is the extent of harm caused by the alleged violation?
  - b) What is the nature and persistence of the alleged violation?
  - c) What is the length of time over which the alleged violation occurred?
  - d) What corrective actions, if any, have been taken?
  - e) What other relevant circumstances should be considered by the Board in determining the amount of any civil liability?

## INFORMATION CONCERNING APPEARANCE AT WATER RIGHT HEARINGS

The following procedural requirements will apply and will be strictly enforced:

- 1. HEARING PROCEDURES GENERALLY:** The hearing will be conducted in accordance with the procedures for hearings set forth at California Code of Regulations, title 23, sections 648-648.8, 649.6 and 760, as they currently exist or may be amended. A copy of the current regulations and the underlying statutes governing adjudicative proceedings before the State Water Board is available upon request or may be viewed at the State Water Board's web site: [http://www.waterboards.ca.gov/laws\\_regulations](http://www.waterboards.ca.gov/laws_regulations).

Unless otherwise determined by the hearing officers, each party may make an opening statement, call and examine witnesses, introduce exhibits, cross-examine opposing witnesses on any matter relevant to the issues even if that matter was not covered in the direct examination, impeach any witness, rebut adverse evidence, and subpoena, call and examine an adverse party or witness as if under cross-examination. At the discretion of the hearing officers, parties may also be afforded the opportunity to present closing statements or submit briefs. The State Water Board encourages parties with common interests to work together to make the hearing process more efficient. The hearing officers reserve the right to issue further rulings clarifying or limiting the rights of any party where authorized under applicable statutes and regulations.

Parties must file any requests for exceptions to procedural requirements in writing with the State Water Board and must serve such requests on the other parties. To provide time for parties to respond, the hearing officers will rule on procedural requests filed in writing no sooner than fifteen days after receiving the request, unless an earlier ruling is necessary to avoid disrupting the hearing.

- 2. SETTLEMENTS:** In water right enforcement hearings, a State Water Board staff member or team prosecutes an alleged violation. In such enforcement cases, the prosecution and a party who is the subject of the proposed enforcement action may at their discretion engage in private settlement discussions, or may include any other persons in those discussions. Although other persons may be authorized to participate in the hearing as parties, such a designation does not constitute a ruling that those persons must be allowed to engage in any settlement discussions between the prosecution and the party against whom the agency action is directed. The consent of other parties is not required before the State Water Board, or the Executive Director under State Water Board [Resolution No. 2012-0061](#), can approve a proposed settlement agreement between the prosecution and a party subject to a proposed enforcement action. However, all parties will be given the opportunity to comment on any settlement submitted to the State Water Board or the Executive Director for approval.

In non-enforcement hearings involving an unresolved protest between a protestant and a water right applicant or petitioner, those persons will be designated as parties in the hearing. (Cal. Code Regs., tit. 23, § 648.1, subd. (b).) Other persons who file a Notice of Intent to Appear in the hearing, may also be designated as parties. In such cases, the parties whose dispute originates the action may at their discretion meet privately to engage in settlement discussions, or may include other persons. If the original parties resolve the dispute, the hearing officers will determine whether or not to continue the hearing, after allowing all remaining parties the opportunity to comment on any proposed settlement. The Executive Director or the State Water Board may approve a settlement in the absence of a hearing,

notwithstanding the lack of consent of parties besides the protestant and the applicant or petitioner.

**3. PARTIES:** The current parties to the hearing are **Kimberly Pfendler Trust and the prosecution team for the State Water Board.**

Additional parties may be designated in accordance with the procedures for this hearing. Except as may be decided by specific rulings of the hearing officers, any person or entity who timely files a Notice of Intent to Appear indicating the desire to participate beyond presenting a policy statement shall be designated as a party. The hearing officers may impose limitations on a party's participation. (Gov. Code, § 11440.50, subd. (c).) Persons or entities who do not file a timely Notice of Intent to Appear may be designated as parties at the discretion of the hearing officers, for good cause shown, and subject to appropriate conditions as determined by the hearing officers. Except as specifically provided in this notice or by ruling of the hearing officers, only parties will be allowed to present evidence.

**4. INTERESTED PERSONS:** Pursuant to California Code of Regulations, title 23, section 648.1, subdivision (d), the State Water Board will provide an opportunity for presentation of non-evidentiary policy statements or comments by interested persons who are not designated as parties. A person or entity that appears and presents only a policy statement is not a party and will not be allowed to make objections, offer evidence, conduct cross-examination, make legal argument or otherwise participate in the evidentiary hearing. Interested persons will not be added to the service list and will not receive copies of written testimony or exhibits from the parties, but may access hearing documents at the website listed in the hearing notice.

Policy statements are subject to the following provisions in addition to the requirements outlined in regulation. (Cal. Code Regs., tit. 23, § 648.1, subd. (d).)

- a. Policy statements are not subject to the pre-hearing requirements for testimony or exhibits, except that interested persons are requested to file a Notice of Intent to Appear, indicating clearly an intent to make a policy statement only.
- b. The State Water Board requests that policy statements be provided in writing before they are presented. Please see section 7, for details regarding electronic submittal of policy statements.

**5. NOTICE OF INTENT TO APPEAR:** Persons and entities who seek to participate as parties in this hearing must file either an electronic copy or a paper copy of a Notice of Intent to Appear, which must be **received** by the State Water Board no later than **the deadline prescribed in the Hearing Notice**. Failure to submit a Notice of Intent to Appear in a timely manner may be interpreted by the State Water Board as intent not to appear. **If Kimberly Pfendler Trust fails to submit a Notice of Intent to Appear by the deadline specified in the Hearing Notice, the State Water Board will deem the request for a hearing regarding the Administrative Civil Liability complaint to be withdrawn and the Administrative Civil Liability may be imposed against the withdrawing party without further notice. Similarly, if Kimberly Pfendler Trust withdraws the request, the Administrative Civil Liability may be imposed without further notice.**

Any faxed or emailed Notices of Intent to Appear must be followed by a mailed or delivered hard copy with an original signature.

Interested persons who will not be participating as parties, but instead presenting only non-evidentiary policy statements should also file a Notice of Intent to Appear.

The Notice of Intent to Appear must state the name and address of the participant. Except for interested persons who will not be participating as parties, the Notice of Intent to Appear must also include: (1) the name of each witness who will testify on the party's behalf; (2) a brief description of each witness' proposed testimony; and (3) an estimate of the time (not to exceed the total time limit for oral testimony described in section 9, below) that the witness will need to present a brief oral summary of his or her prior-submitted written testimony. (See section 6, below.) Parties who do not intend to present a case-in-chief but wish to cross-examine witnesses or present rebuttal should so indicate on the Notice of Intent to Appear.<sup>2</sup> Parties who decide not to present a case-in-chief after having submitted a Notice of Intent to Appear should notify the State Water Board and the other parties as soon as possible.

Parties who are not willing to accept electronic service of hearing documents should check the appropriate box on the Notice of Intent to Appear. (See section 7, below.)

The State Water Board will mail a service list of parties to each person who has submitted a Notice of Intent to Appear. The service list will indicate if any party is unwilling to accept electronic service. If there is any change in the hearing schedule, only those parties on the service list, and interested persons that have filed a Notice of Intent to Appear expressing their intent to present a policy statement only, will be informed of the change.

6. **WRITTEN TESTIMONY AND OTHER EXHIBITS:** Exhibits include written testimony, statements of qualifications of expert witnesses, and other documents to be used as evidence. Each party proposing to present testimony on factual or other evidentiary matters at the hearing shall submit such testimony in writing.<sup>3</sup> Written testimony shall be designated as an exhibit, and must be submitted with the other exhibits. Oral testimony that goes beyond the scope of the written testimony may be excluded. A party who proposes to offer expert testimony must submit an exhibit containing a statement of the expert witness's qualifications.

Each party shall submit to the State Water Board **three (3) paper copies** and **one electronic copy** of each of its exhibits. With its exhibits, each party must submit a completed Exhibit Identification Index. Each party shall also serve a copy of each exhibit and the exhibit index on every party on the service list. A statement of service with manner of service indicated shall be filed with each party's exhibits.

The exhibits and indexes for this hearing, and a statement of service, must be **received by the State Water Board and served on the other parties no later than the deadline prescribed in the Hearing Notice**. The State Water Board may interpret failure to timely submit such documents as a waiver of party status.

---

<sup>2</sup> A party is not required to present evidence as part of a case-in-chief. Parties not presenting evidence as part of a case-in-chief will be allowed to participate through opening statements, cross-examination, and rebuttal, and may also present closing statements or briefs, if the hearing officers allow these in the hearing.

<sup>3</sup> The hearing officers may make an exception to this rule if the witness is adverse to the party presenting the testimony and is willing to testify only in response to a subpoena or alternative arrangement.

All hearing documents that are timely received will be posted on the hearings program webpage identified in the hearing notice.

The following requirements apply to exhibits:

- a. Exhibits based on technical studies or models shall be accompanied by sufficient information to clearly identify and explain the logic, assumptions, development, and operation of the studies or models.
  - b. The hearing officers have discretion to receive into evidence by reference relevant, otherwise admissible, public records of the State Water Board and documents or other evidence that have been prepared and published by a public agency, provided that the original or a copy was in the possession of the State Water Board before the notice of the hearing is issued. (Cal. Code Regs., tit. 23, § 648.3.) A party offering an exhibit by reference shall advise the other parties and the State Water Board of the titles of the documents, the particular portions, including page and paragraph numbers, on which the party relies, the nature of the contents, the purpose for which the exhibit will be used when offered in evidence, and the specific file folder or other exact location in the State Water Board's files where the document may be found.
  - c. A party seeking to enter in evidence as an exhibit a voluminous document or database may so advise the other parties prior to the filing date for exhibits, and may ask them to respond if they wish to have a copy of the exhibit. If a party waives the opportunity to obtain a copy of the exhibit, the party sponsoring the exhibit will not be required to provide a copy to the waiving party. Additionally, with the permission of the hearing officers, such exhibits may be submitted to the State Water Board solely in electronic form, using a file format readable by Microsoft Office 2003 software.
  - d. Exhibits that rely on unpublished technical documents will be excluded unless the unpublished technical documents are admitted as exhibits.
  - e. Parties submitting large format exhibits such as maps, charts, and other graphics shall provide the original for the hearing record in a form that can be folded to 8 ½ x 11 inches. Alternatively, parties may supply, for the hearing record, a reduced copy of a large format original if it is readable.
- 7. ELECTRONIC SUBMISSIONS:** To expedite the exchange of information, reduce paper use, and lower the cost of participating in the hearing, participants are encouraged to submit hearing documents to the State Water Board in electronic form and parties are encouraged to agree to electronic service.

Any documents submitted or served electronically must be in Adobe Portable Document Format (PDF), except for Exhibit Identification Indexes, which may be in a format supported by Microsoft Excel or Word. Electronic submittals to the State Water Board of documents less than 11 megabytes in total size (incoming mail server attachment limitation) may be sent via electronic mail to: [wrhearing@waterboards.ca.gov](mailto:wrhearing@waterboards.ca.gov) with a subject of **“Kimberly Pfendler Trust Failure to File Report Hearing”**. Electronic submittals to the State Water Board of documents greater than 11 megabytes in total size should be submitted on a compact disc (CD). Each electronically submitted exhibit must be saved as a separate PDF file, with the name in lower case lettering.

8. **PRE-HEARING CONFERENCE:** At the hearing officers' discretion, a pre-hearing conference may be conducted before the proceeding to discuss the scope of the hearing, the status of any protests, and any other appropriate procedural issues.
9. **ORDER OF PROCEEDING:** Hearing officers will follow the Order of Proceedings specified in California Code of Regulations, title 23, section 648.5. Participants should take note of the following additional information regarding the major hearing events. The time limits specified below may be changed by the hearing officers, for good cause.
  - a. **Policy Statements Within the Evidentiary Hearing:** Policy statements will be heard at the start of the hearing, before the presentation of cases-in-chief. Oral summaries of the policy statements will be limited to **five (5) minutes** or such other time as established by the hearing officers.
  - b. **Presentation of Cases-In-Chief:** Each party who so indicates on a Notice of Intent to Appear may present a case-in-chief addressing the key issues identified in the hearing notice. The case-in-chief will consist of any opening statement, oral testimony, introduction of exhibits, and cross-examination of the party's witnesses. The hearing officers may allow redirect examination and recross examination. The hearing officers will decide whether to accept the party's exhibits into evidence upon a motion of the party after completion of the case-in-chief.
    - i. **Opening Statements:** At the beginning of a case-in-chief, the party or the party's attorney may make an opening statement briefly and concisely stating the objectives of the case-in-chief, the major points that the proposed evidence is intended to establish, and the relationship between the major points and the key issues. Oral opening statements will be limited to **five (5) minutes** per party. A party may submit a written opening statement before the hearing or during the hearing, prior to their case-in-chief. Any policy-oriented statements by a party should be included in the opening statement.
    - ii. **Oral Testimony:** All witnesses presenting testimony shall appear at the hearing. Before testifying, witnesses shall swear or affirm that the written and oral testimony they will present is true and correct. Written testimony shall not be read into the record. Written testimony affirmed by the witness is direct testimony. Each party will be allowed up to **ten (10) minutes total** to present all of its direct testimony.<sup>4</sup>
    - iii. **Cross-Examination:** Cross-examination of a witness will be permitted on the party's written submittals, the witness' oral testimony, and other relevant matters not covered in the direct testimony. (Gov. Code, § 11513, subd. (b).) If a party presents multiple witnesses, the hearing officers will decide whether the party's witnesses will be cross-examined as a panel. Cross-examiners initially will be limited to **15 minutes** per witness or panel of witnesses. The hearing officers have discretion to

---

<sup>4</sup> The hearing officers may, for good cause, approve a party's request for additional time to present direct testimony during the party's case-in-chief. The hearing officers may allow additional time for the oral direct testimony of the witness if the witness is adverse to the party presenting the testimony and the hearing officers are satisfied that the party could not produce written direct testimony for the witness.

allow additional time for cross-examination if there is good cause demonstrated in an offer of proof. Ordinarily, only a party or the party's representative will be permitted to examine a witness, but the hearing officers may allow a party to designate a person technically qualified in the subject being considered to examine a witness.

- iv. **Redirect and Recross Examination:** Redirect examination may be allowed at the discretion of the hearing officers. Any redirect examination and recross examination permitted will be limited to the scope of the cross-examination and the redirect examination, respectively. The hearing officers may establish time limits for any permitted redirect and recross examination.
- v. **Questions by State Water Board and Staff:** State Water Board members and staff may ask questions at any time and may cross-examine any witness.
- c. **Rebuttal:** After all parties have presented their cases-in-chief and their witnesses have been cross-examined, the hearing officers will allow parties to present rebuttal evidence. Rebuttal evidence is new evidence used to rebut evidence presented by another party.

Rebuttal testimony and exhibits need not be submitted prior to the hearing, although the hearing officers may require submittal of rebuttal testimony and exhibits before they are presented in order to improve hearing efficiency. Rebuttal evidence is limited to evidence that is responsive to evidence presented in connection with another party's case-in-chief, and it does not include evidence that should have been presented during the case-in-chief of the party submitting rebuttal evidence. It also does not include repetitive evidence. Cross-examination of rebuttal evidence will be limited to the scope of the rebuttal evidence.

- d. **Closing Statements and Legal Arguments:** At the close of the hearing or at other times, if appropriate, the hearing officers may allow oral closing statements or legal arguments or set a schedule for filing legal briefs or written closing statements. If the hearing officers authorize the parties to file briefs, three copies of each brief shall be submitted to the State Water Board, and one copy shall be served on each of the other participants on the service list. A party shall not attach a document of an evidentiary nature to a brief unless the document is already in the evidentiary hearing record or is the subject of an offer into evidence made at the hearing.

- 10. EX PARTE CONTACTS:** During the pendency of this proceeding, commencing no later than the issuance of the Notice of Hearing, there shall be no *ex parte* communications with State Water Board members or State Water Board hearing team staff and supervisors, regarding substantive or controversial procedural issues within the scope of the proceeding. (Gov. Code, §§ 11430.10-11430.80.) **Any communications regarding potentially substantive or controversial procedural matters, including but not limited to evidence, briefs, and motions, must demonstrate that all parties were served and the manner of service.** Parties may accomplish this by submitting a proof of service or by other verification, such as correct addresses in an electronic-mail carbon copy list, or a list of the parties copied and addresses in the carbon copy portion of a letter. Communications regarding non-controversial procedural matters are permissible and should be directed to staff on the hearing team, not State Water Board members. (Gov. Code, § 11430.20, subd. (b).) A document regarding *ex parte* communications entitled "Ex Parte Questions and Answers" is available upon request or from our website at:  
[http://www.waterboards.ca.gov/laws\\_regulations/docs/exparte.pdf](http://www.waterboards.ca.gov/laws_regulations/docs/exparte.pdf).

**11. RULES OF EVIDENCE:** Evidence will be admitted in accordance with Government Code section 11513. Hearsay evidence may be used to supplement or explain other evidence, but over timely objection shall not be sufficient in itself to support a finding unless it would be admissible over objection in a civil action.
