As announced in the revised public notice, the meeting was rescheduled to March 17, 2015. The meeting is now being rescheduled again, to be held on:**

Wednesday, April 8, 2015 – 9:00 a.m.

Coastal Hearing Room
1001 I Street, Second Floor
Sacramento, CA 95814

BACKGROUND

The proposed 303(d) List portion of the 2012 California Integrated Report is a compilation of the 303(d) Lists from the Regional Water Quality Control Boards (Regional Water Boards) for the North Coast, Lahontan, and Colorado River regions. In addition, the proposed 303(d) List includes State Water Board staff recommendations for additions, deletions, or changes to the 303(d) Lists from those three regions. Regional Water Board staff held stakeholder meetings in their respective regions and provided advance notice and opportunity for public comment prior to approval of their 303(d) Lists. The 2012 California Integrated Report includes the CWA section 305(b) report of surface water quality (305(b) Report). Only the 303(d) List portion of the California Integrated Report requires approval by the State Water Board and U.S. EPA. Neither agency approves the 305(b) Report portion of the California Integrated Report. After the State Water Board approves the 303(d) List, the 2012 California Integrated Report will be submitted to U.S. EPA. U.S. EPA may make changes to the 303(d) List which is only effective upon U.S. EPA's approval.
