Date: Wednesday, October 07, 2015 9:42:05 PM

I support the letter drafted to you from our Hacienda Improvement Association board. I have an additional concern besides what our HIA outlined.

We just went through an intensive permitted remodel and installation of a modern, sophisticated, and costly new septic system through PRMD; how will future plans effect homeowners like us who have willingly complied with upgrading our system?

Please contact me with any questions or comments.

Sincerely,
Lessa Vivian
