Dear Ms. Hayat, and Messrs. Cooper, Pugsley, and Unger,

PETITION OF NATURAL RESOURCES DEFENSE COUNCIL, HEAL THE BAY, AND LOS ANGELES WATERKEEPER FOR REVIEW OF APPROVAL OF WATERSHED MANAGEMENT PROGRAMS PURSUANT TO THE LOS ANGELES REGIONAL WATER QUALITY CONTROL BOARD ORDER R4-2012-0175: EXTENSION OF TIME TO SUBMIT ADMINISTRATIVE RECORD
SWRCB/OCC FILE A-2386

The State Water Resources Control Board (State Water Board) has received a letter dated December 7, 2015, from the Los Angeles Regional Water Quality Control Board (Los Angeles Water Board) requesting an extension to December 17, 2015, of the deadline to submit the administrative record to the petition in the above matter. Previously, the Los Angeles Water Board and other interested parties requested and were granted an extension to January 15, 2016 at 5:00 pm of the time to file responses to the petition.

The State Water Board informed interested persons by letter dated November 10, 2015, that the petition in the above matter was complete and that the administrative record and responses to the petition were due within thirty days. The letter and notice are available at:
http://www.waterboards.ca.gov/public_notices/petitions/water_quality/a2386_losangeles_wmp.s.html.

The Los Angeles Water Board, in its request for an extension of time to file responses to the petition, indicated that it would submit the administrative record by December 10, 2015 at 5:00 pm. Due, however, to the size of the record, the limited availability of staff during the holidays, and the reasons stated in its request for an extension of time to file responses to the petition, the Los Angeles Water Board now requests a one-week extension of time. For these reasons,

the State Water Board will now grant an extension to the Los Angeles Water Board to submit the administrative record to the petition in the above matter.

The new deadline is set as follows:

Submission of the administrative record to the petition: **Thursday, December 17, at 5:00 pm.**

The deadline for filing of the responses to the petition (for all parties and interested persons, including the Los Angeles Water Board) will remain **Friday, January 15, 2016, at 5:00 pm.**

The State Water Board notes that the new deadline does not extend the 270-day time period in which the State Water Board must review and act on the petition under California Code of Regulations, title 23, section 2050.5, subdivision (b).

If you have any questions regarding this letter, please contact me at (916) 341-5173 or at ryan.mallory-jones@waterboards.ca.gov.

Sincerely,
