Subject: RE: Fahey Hearing Project - Objection Response Submittal Deadline

Dear Ms. Haddix:

There is no scheduled opportunity for replies to the closing briefs. It is not generally the Board's practice to allow reply briefs after closing briefs are filed. Section 648.5 of title 23 of the California Code of Regulations sets out the order in which adjudicative proceedings are generally conducted, subject to modification by the presiding officer for good cause. Accordingly, the hearing officers allowed the parties to submit closing briefs on June 17, 2016 in lieu of oral closing statements.

Sincerely,

Michael Buckman
