

FTP Document Access

The file you are trying to access is located on the State Water Board's FTP site which requires a username and password. If you have already obtained the username and password please click on the link below to leave the State Water Board's website and be redirected to the FTP site. See instructions below on how to obtain the login credentials.

https://ftp.waterboards.ca.gov/#/Fresno%20River%20Adjudication/Kearns&West_FresnoRiverMediationReportFinal_20200807.pdf

First time user - before you can access the FTP site

First time FTP users will first need to acquire the FTP credentials. Please send an email requesting the username and password to wr_hearing.unit@waterboards.ca.gov. The credentials will be sent in a reply to your email. Save the credentials for later use.
