**Notes:**

- Projects eligible for grant/PF under Appendices D and E, and all consolidation incentive projects, are added to the Fundable List after the Deputy Director, or designee, deems the application complete.
- Project numbers and project names are for administrative purposes only. DFA may assign or reassign project numbers and names as necessary to administer projects.
- Construction Projects eligible for grant/PF under Appendices D and E are potentially eligible for DWSRF Principal Forgiveness, and DFA intends to award PF in the amounts previously discussed to projects from this group. The demand for grant/PF well exceeds the \$108 million in principal forgiveness available from the FFY 2023 DWSRF Base Program and General Supplemental capitalization grants.
- BOLD projects are projects that have a complete application and on the fundable list.
