

This is a message from the State Water Resources Control Board.

To Interested Parties:

The Water Rights stakeholders meeting previously scheduled for Friday, June 5, 2015 has been postponed to Monday, June 29, 2015 at 10:00 am. State Water Board staff are postponing this meeting until after the date the State budget is scheduled to be signed to allow for a more complete and meaningful discussion of the Fiscal Year 2015-16 Water Rights fees. The Legislature and Administration are currently considering several proposals for funding the Bay Delta Water Quality Control Plan work that was included in the May revision of the Governor's budget. The outcome of those discussions will potentially affect the Water Rights fees for next fiscal year. This meeting is open to all interested parties and will also be webcast. Questions may be emailed during the meeting to the Fee Branch email address below. The agenda will be sent out in the coming weeks.
