

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 76-27

APPROVING RESOLUTION NO. 76-01 OF THE CENTRAL
COAST REGIONAL WATER QUALITY CONTROL BOARD

WHEREAS:

1. At its February 6, 1976, meeting, the Central Coast Regional Water Quality Control Board adopted an amendment to the Water Quality Control Plan, Central Coastal Basin (Resolution No. 76-01), which will prohibit the discharge of waste from individual leaching or percolation systems in the Las Lomas-Hall Area in Monterey County.
2. The discharge prohibition is reasonable and necessary in light of the documented high incidence of individual disposal system failures.

THEREFORE BE IT RESOLVED:

That the State Board approves Resolution No. 76-01 of the Central Coast Regional Water Quality Control Board amending the Water Quality Control Plan, Central Coastal Basin.

CERTIFICATION

The undersigned, Executive Officer of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on April 15, 1976.

Bill B. Dendy
