

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 83 -7

WAIVER OF SECTION 2124, JUNE 24, 1977
STATE CLEAN WATER GRANT PROGRAM REGULATIONS

Whereas:

1. The City and County of San Francisco plans to restore the Great Highway from the disturbances caused by box sewer construction.
2. The City and County of San Francisco, by letter dated November 16, 1982 requested that they be allowed to advertise for construction bids on this contract concurrent with the Division of Water Quality's design review.
3. Advertising for bids concurrent with design review will shorten the time between box sewer construction completion and restoration of the roadway.
4. The City and County of San Francisco acknowledge the potential risks of unallowable costs in advertising for bids prior to the Division of Water Quality's design review.

THEREFORE BE IT RESOLVED:

The Board hereby waives the requirements embodied in Section 2124(a) of the July 24, 1977 State Clean Water Grant Program Regulations for design review prior to advertising for bids for project C-06-1253-13-02, San Francisco's Great Highway Replacement contract.

CERTIFICATION

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on January 20, 1983.

Clint Whitney
Executive Director
