

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 83- 23

REVISION OF POLICY LIMITING STEP 1 (PLANNING)
AND STEP 2 (DESIGN) INCREASES

WHEREAS:

1. The State Board adopted a policy on September 2, 1982 limiting grant increases for Step 1 and 2 costs to those submitted to the Division of Water Quality by January 1, 1983 and approved or disapproved by March 1, 1983.
2. The Division of Water Quality received 95 requests totaling \$27,400,000 and was not able to review these requests by March 1, 1983.
3. The proposed revisions would reduce the impact on grantees, significantly reduce the number of reviews to be made by staff, and provide adequate time to review the requested increases.

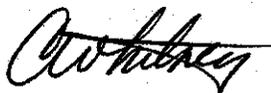

THEREFORE BE IT RESOLVED:

The Board's policy limiting Step 1 and 2 grant increases is revised to:

- 1) Extend the date for Division approval/disapproval to July 1, 1983;
- 2) Exempt increases for Steps 1 and 2 and the design portion of Step 2 plus 3 grants less than \$100,000 from the policy; and
- 3) Limit the \$100,000 exemption to one increase per step (planning and design) per grant.

The undersigned, Executive Director of the State Water Resources Control Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on April 21, 1983.
