

**STATE WATER RESOURCES CONTROL BOARD  
BOARD MEETING SESSION – DIVISION OF WATER QUALITY  
MAY 18, 2010**

**ITEM 3**

**SUBJECT**

CONSIDERATION OF A RESOLUTION AUTHORIZING THE EXECUTIVE DIRECTOR TO APPLY FOR, ACCEPT, AND/OR AMEND A FEDERAL CLEAN WATER ACT SECTION 319(h) GRANT AND AUTHORIZING EXECUTION AND AMENDMENT OF CONTRACTS FOR SUPPORT OF THE NONPOINT SOURCE PROGRAM

**DISCUSSION**

Federal Clean Water Act section 319(h) (CWA 319[h]) provides grants to states to implement Nonpoint Source (NPS) Management Programs. Approximately \$10,429,000 will be available to California under CWA 319(h) for federal Fiscal Year (FFY) 2010. Of these funds approximately \$10,302,000 is from the State's FFY 2010 CWA 319(h) allotment and \$127,000 is from recertification of unused funds from the FFY 2004 CWA 319(h) Grant. FFY 2010 CWA 319(h) funds will be used to implement NPS projects and to support NPS contracts and activities managed and performed by staff of the Regional Water Quality Control Boards (Regional Water Boards), State Water Resources Control Board (State Water Board), and the California Coastal Commission.

The CWA 319 grants proposal process has been coordinated with the Watershed Management Initiative (WMI). Approximately half of the State's CWA 319 (h) grant funds are directed towards NPS projects through the competitive grants process. The 2010 CWA 319(h) NPS Grant Program solicitation consisted of a two-step process. In the first step, applicants submitted brief Concept Proposals (CP) using the State Water Board's on-line Financial Assistance Application Submittal Tool. Applicants with the highest-ranking CPs were invited to submit a Full Proposal by March 1, 2010. Technical reviewers and a final selection panel consisting of staff from the State Water Board, the nine Regional Water Boards, and the U.S. Environmental Protection Agency reviewed and ranked proposals received in response to the solicitation notice. The Selection Panel convened and developed the Recommended Funding List.

**POLICY ISSUE**

2. Authorizing the Executive Director to negotiate and approve program workplans;
3. Authorizing the issuance of grants, contracts, and amendments that support the NPS Program; and

4. Authorizing the issuance of grants, contracts, and amendments to implement the NPS proposals.

**FISCAL IMPACT**

3. Authorizing the issuance of grants, contracts, and amendments that support the NPS Program; and

State Water Board action on this item will assist the Water Boards in implementing Priority 1 of the Strategic Plan Update: 2008-2012 to protect and restore surface water quality. In particular, approval of this item will assist in fulfilling Objective 1.1 by supporting implementation of total maximum daily loads for water bodies contained on the 2006 CWA 303(d) list and Objective 1.3 by supporting appropriate enforcement actions and innovative approaches as needed to protect and restore surface waters.
