

**STATE WATER RESOURCES CONTROL BOARD  
BOARD MEETING SESSION – DIVISION OF FINANCIAL ASSISTANCE  
JULY 19, 2011**

**ITEM 6**

**SUBJECT**

CONSIDERATION OF A RESOLUTION TO ADOPT THE PETROLEUM UNDERGROUND STORAGE TANK (UST) EMERGENCY, ABANDONED, AND RECALCITRANT (EAR) ACCOUNT FISCAL YEAR (FY) 2011-2012 ANNUAL SITE LIST (ASL); AND, AUTHORIZING THE EXECUTIVE DIRECTOR, OR DESIGNEE, TO ISSUE LETTERS OF AWARD OR EXECUTE CONTRACTS AND AMENDMENTS FOR THE EXPENDITURE OF EAR ACCOUNT FUNDS

**DISCUSSION**

Chapter 6.75 of Division 20 of the Health and Safety Code authorizes the State Water Resources Control Board (State Water Board) to provide funding from the UST Cleanup Fund (USTCF) to Regional Water Quality Control Boards (Regional Water Boards) or local agencies for initiating corrective action at petroleum UST sites: (1) which require prompt action to protect human health or the environment; (2) for which a responsible party (RP) cannot be identified or located (abandoned site); or, (3) where the identified RP is either unable or unwilling to take the required corrective action (recalcitrant site). The FY 2011-2012 proposed budget for the USTCF Program includes sufficient funding for this function. The State Water Board has established procedures for administering the EAR Account, which include the adoption of an ASL of abandoned and recalcitrant sites nominated by a Regional Water Board to receive EAR Account funding. The sites approved on the ASL may be provided funding pursuant to a contract with or letter of award from the State Water Board, or the State Water Board may request the Department of General Services to enter into a contract on behalf of the State Water Board or a Regional Water Board.

On January 19, 2011, the State Water Board requested the Regional Water Boards to: (1) contact local agencies in their regions to identify any abandoned and recalcitrant petroleum UST sites for inclusion on the EAR Account FY 2011-2012 ASL, and (2) submit their annual list of recommended Regional Water Board and local agency sites to the State Water Board for EAR Account funding.

Nine Regional Water Boards responded, nominating a total of 48 eligible sites and requesting \$1,705,000 in funding. Sufficient funding is available for all 48 eligible sites.

**POLICY ISSUE**

Should the State Water Board adopt the EAR Account FY 2011-2012 ASL, to provide funding to the designated oversight agencies to initiate site cleanup at listed UST sites? and, Should the State Water Board authorize the Executive Director, or designee, to issue letters of award or execute contracts and amendments for the expenditure of EAR Account funds for the designated sites?

**FISCAL IMPACT**

The State Water Board has designated \$5 million from the FY 2011-2012 USTCF appropriation for EAR Account projects. This is sufficient to provide the requested amounts for all eligible listed sites.

### **REGIONAL WATER BOARD IMPACT**

The Regional Water Boards will administer 27 sites. The remaining 21 sites will be administered by local agencies.

### **STAFF RECOMMENDATION**

State Water Board action on this item will assist the Water Boards in adopting a resolution to grant EAR Account funding, as specified in the EAR Account FY 2011-2012 ASL; will authorize the Executive Director, or designee, to issue letters of award or execute contracts and amendments for the expenditure of EAR Account funds designated in the ASL; authorize the Executive Director, or designee to request the Department of General Services to enter into contracts on behalf of the State Water Board or a Regional Water Board for the expenditure of EAR Account funds designated in the ASL.

State Water Board Action on this item will assist the Water Boards in reaching Goal 1 of the Strategic Plan Update: 2008-2012 to implement strategies to fully support the beneficial uses for all 2006 listed water bodies by 2030.
