

02/03/09 BD MEETING – ITEM #7
STAFF CHANGE #1 (CIRCULATED 2/3/09)

STAFF PROPOSED CHANGES TO RECYCLED WATER POLICY
(1-16-09 VERSION CURRENTLY POSTED ON WEB SITE)

p. 5, lines 179-182, in paragraph 6(b)(1): revise so that the paragraph begins: “The State Water Board recognizes that, pursuant to the letter dated December 19, 2008 and attached to the Resolution adopting this Policy, the local water and wastewater entities, together with local salt/nutrient contributing stakeholders, will fund locally driven and controlled....”

p. 8, lines 307-308, in paragraph 7(a)(4): modify as follows: “...prior approval for the discharge by notification of the appropriate Regional Water Board Executive Officer of the discharge...”

p. 10, lines 382, in paragraph 8(b)(2): modify last sentence in this paragraph as follows: “Groundwater recharge projects shall include effluent-monitoring of recycled water for CECs on an annual basis and priority pollutants on a twice annual basis ~~in recycled water.~~”

p. 12, lines 433-435, paragraph 9(c)(1): modify as follows: “...over at least a ten year time frame ~~or using a data set approved by the Regional Water Board Executive Officer.~~”

p. 13, line 460, paragraph 9(d)(2): modify as follows: “...within a basin where a salt/nutrient management plan satisfying the provisions....”
