Dear Agricultural Interested Party:

DRAFT 2017 AGRICULTURAL ORDER AND ASSOCIATED DOCUMENTS

The Draft Agricultural Order is now posted on our website for public comment. You will see that we have provided tracked changes versions of the following:

1. Draft Agricultural Order No. R3-2017-0002
2. Attachment A to the Order
3. Monitoring and Reporting Program for Tier 1 (Order No. R3-2017-0002-01)
4. Monitoring and Reporting Program for Tier 2 (Order No. R3-2017-0002-02)
5. Monitoring and Reporting Program for Tier 3 (Order No. R3-2017-0002-03)

The tracked changes versions provide highlights of changes made to the previous versions; deletions are marked in red and additions are marked in blue. Please be aware that some of the documents have numbered bullets. If a bullet number is deleted, the deleted number may not refer to the original bullet number; however, all additions and deletions are tracked so you are able see these changes.

The “clean versions” represent the draft final documents with the deleted language removed and the added language now in black print.

We are providing an extended comment period. Make sure to review the Notice that is also posted on our website for details of how and when to provide written comment.

We will be providing outreach events, such as public workshops, in the weeks ahead. During these outreach events, we will provide a summary of the draft 2017 Ag Order and answer questions you might have. Please watch our website for dates and times of these public outreach events.

Thank you,

Christopher Rose
Irrigated Lands Program Manager
