SAN LUIS OBISPO, CALIFORNIA

RESOLUTION 01-121

Triennial Review and Affirmation of Water Quality Control Plan,
Central Coast Basin (Basin Plan)

The California Regional Water Quality Control Board, Central Coast Region (hereafter Regional Board) finds:

1. The California Regional Water Quality Control Board, Central Coast Region, adopted the *Water Quality Control Plan, Central Coastal Basin* (hereafter Basin Plan), on September 8, 1994.
2. State and Federal laws require a triennial review of the Basin Plan.
3. The Regional Board is responsible for reviewing water quality standards and implementation plans as appropriate and for modifying and adopting standards contained in the Plans under provisions set forth in section 303(c) of the Federal Clean Water Act and Section 13240, Division 7 of the California Water Code.
4. The Regional Board and its staff implemented the triennial review by performing the following:
 - a. Sending a letter dated August 24, 2001 soliciting comments to the Basin Plan
 - b. Circulating a list of present and potential water quality issues in the Central Coastal Basin for public comment
 - c. Noticing and conducting a public hearing on December 7, 2001, to receive testimony on water quality standards and implementation plans
 - d. Responding to all public comments received during the designated period
5. As a result of the triennial review process, the Regional Board formulated the priority issues list shown in Attachment A.

THEREFORE, BE IT RESOLVED:

1. That the California Regional Water Quality Control Board, Central Coast Region, in fulfillment of the requirements of Section 303(c) of the Federal Clean Water Act and Section 13240, Division 7 of the California Water Code, has performed the following:
 - a. Concluded the 2001 triennial review of the Central Coastal Basin Plan
 - b. Approved the priority list for revision of the Central Coastal Basin Plan
 - c. Affirmed the general adequacy of the present Basin Plan in the triennial review process
 - d. Declared that the entire Basin Plan is effective until subsequent amendments are adopted
2. Adoption of this triennial review does not preclude other Basin Plan revisions, which may become necessary before the next triennial review in 2004.
3. Board staff may present items for the Board's consideration prior to higher priority issues in the event a lower priority issue is completed.

I, ROGER W. BRIGGS, Executive Officer of the California Regional Water Quality Control Board, Central Coast Region, do hereby certify that the foregoing is a full, true, and correct copy of the Resolution adopted by the California Regional Water Quality Control Board, Central Coast Region, on December 7, 2001.
