**PUBLIC NOTICE**

**POSTPONEMENT**

**OF HEARING TO CONSIDER ADOPTION OF  
DRAFT ORDER, MONITORING AND REPORTING PROGRAM,  
AND SUBSEQUENT ENVIRONMENTAL IMPACT REPORT FOR THE REGULATION OF  
WASTE DISCHARGES FROM IRRIGATED LANDS**

**Date:** September 1, 2011

**Time:** 8:00 AM

**Address:** 895 Aerovista Place, San Luis Obispo, CA 93401. Individuals requiring special accommodations are requested to contact Cyndee Jones at (805) 549-3372 at least five working days prior to the meeting. TTY users may contact the California Relay Service at 1-800-735-2929 or voice line at 1-800-735-2922.

The Central Coast Regional Water Quality Control Board (Water Board) has **postponed** the hearing scheduled for September 1, 2011 on Item 17, the staff proposal to renew the current “Conditional Waiver of Waste Discharge Requirements for Irrigated Lands,” with revisions, (Draft Order and Monitoring and Reporting Program (MRP)). The Water Board has postponed the hearing because there is not a quorum of Water Board members who can vote on the Draft Order, MRP and certification of the Subsequent Environmental Impact Report at the September 1, 2011 hearing. **Note that the September 1, 2011 meeting is not cancelled. The rest of the items on the agenda will go forward.**

The Water Board will reschedule consideration of adoption of the Draft Order, MRP, and certification of the Subsequent Environmental Impact Report to another meeting when the Water Board has a quorum of members that can vote on this item. The Water Board will distribute a public notice announcing that meeting once it is scheduled.

At this time, the written public comment period is complete. The Water Board will not accept any additional written comments on the Draft Order and associated documents. The Water Board will provide an opportunity for oral comments at the rescheduled hearing.
