Subject: Notice of Termination for General Order No. R5-2008-0149, Former Eagle Gas Station, 6661 Folsom Boulevard, Sacramento, Sacramento County

On 15 September 2009, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability under Order No. R5-2008-0149, *In-Situ Groundwater Remediation at Sites with Volatile Organic Compounds, Nitrogen Compounds, Perchlorate, Pesticides, Semi-Volatile Compounds, Hexavalent Chromium and/or Petroleum Hydrocarbons*. In the Notice of Applicability the project was assigned site-specific Order No. R52008-0149-01. Remediation pilot testing was conducted under this project from 15 September 2009 to 27 January 2010 and included injection of ozone and hydrogen peroxide into two injection points. Post injection monitoring was conducted through February 2010, impact to secondary water quality parameters was not observed during or after pilot testing.

You requested termination of coverage for the Project in a letter dated 20 May 2013. Therefore, through this letter, General Order No. R5-2008-0149-01 is hereby terminated as of the date of this letter. Invoicing for General Order coverage will be modified accordingly.
