

ITEM:

SUBJECT: Sacramento Cogeneration Authority, Sacramento Cogeneration Authority Project, Sacramento County

BOARD ACTION: *Consideration of Resolution Rescinding NPDES Permit and Cease and Desist Order*

BACKGROUND: Order No. R5-2002-0090, (NPDES Permit No. CA0083569) and Cease and Desist Order No. R5-2002-0091, adopted 6 June 2002, prescribe requirements for the discharge of recovery steam generator blowdown, cooling tower blowdown, neutralization facility effluent, and plant equipment drains to Morrison Creek. The Discharger has obtained a permit, effective 1 April 2006, to discharge its full effluent to the Sacramento Regional County Sanitation District's sanitary sewer system, and ceased its discharge to Morrison Creek on 1 June 2006. Therefore, the WDRs and CDO are no longer necessary.
