SUBJECT: Canada Cove Limited Partnership, French Camp RV Park and Golf Course Facility, San Joaquin County

BOARD ACTION: *Consideration of Order Rescinding Waste Discharge Requirements Order No. R5-2006-0039 (NPDES No. CA0083682) and Cease and Desist Order No. R5-2006-0040*

BACKGROUND: Canada Cove Limited Partnership (hereinafter Discharger) owns and operates the French Camp RV Park and Golf Course Facility that provides sewerage service to 196 recreational vehicle spaces, one residential caretaker's home, a Laundromat, and a restaurant/golf course clubhouse. Waste Discharge Requirements (WDR) Order No. R5-2003-0039 (NPDES Permit), adopted by the Central Valley Regional Water Quality Control Board (Central Valley Water Board) on 5 May 2006, authorizes the discharge of tertiary treated municipal wastewater to Lone Tree Creek, a water of the United States within the Sacramento-San Joaquin River Delta. WDR Order No. R5-2003-0039 includes effluent limitations for several constituents, with which the Discharger could not immediately comply; therefore, the Central Valley Water Board also adopted Cease and Desist Order (CDO) No. R5-2006-0040 on 5 May 2006.

On 29 October 2009, the Discharger submitted a Report of Waste Discharge proposing discharge to land of the treated wastewater. The proposed land discharge meets the conditions of State Water Resources Control Board's Water Quality Order (WQO) No. 97-10-DWQ, General Waste Discharge Requirements for Discharges to Land by Small Domestic Wastewater Systems, and a Notice of Applicability for coverage under WQO No. 97-10-DWQ was issued by the Central Valley Water Board's Executive Officer on 10 March 2010. The Discharger has ceased all discharges to surface waters and requested rescission of its NPDES permit. An Order is proposed to rescind the NPDES permit and Cease and Desist Order.
