Dear Ms. Wyles:

Teichert Land Co. ("Teichert") has received and reviewed the latest form of the Cease and Desist Order ("CDO") relating to the Jackson Road Landfill, which you forwarded to me this morning. On behalf of Teichert, we express our appreciation to you and other members of the Regional Water Quality Control Board staff for your assistance in considering and responding to the comments raised by Teichert in this matter. Please be advised that Teichert is comfortable with the latest form of the CDO, and does not intend to contest the CDO at the hearing on the matter scheduled for 8/9/10 December 2010. Teichert respectfully requests, however, that to the extent additional revisions are proposed to the CDO, or additional comments are received by the Advisory Team or Prosecution Team concerning the CDO, such revisions and comments be shared with Teichert so that Teichert may be given an opportunity to review and respond, as appropriate.

Thank you again for your assistance. Please do not hesitate to contact me if there are questions.

Respectfully yours,

Sean B. Murphy
