

ATTACHMENT 7

Attachment 7 is an oversize hardcopy of the original 1939 map of Reclamation District No. 777 showing their Lateral Drains. This map is unavailable in electronic format.

This document is available at the Central Valley Regional Water Quality Control Board office for review and consultation, and will also be available at the February 2011 Board Meeting.

Parties interested in viewing this attachment should contact Mr. David Kirn at (916) 464-4761 or dwkirn@waterboards.ca.gov.
