### **Separation of Functions**

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the Central Valley Water Board (Prosecution Team) have been separated from those who will provide advice to the Central Valley Water Board (Advisory Team). Members of the Advisory Team are: Mr. Kenneth Landau and Mr. Alex Mayer. Members of the Prosecution Team are: Ms. Pamela Creedon, Mr. Frederick Moss, Ms. Wendy Wyels, Mr. Victor Vasquez, Mr. Barry Hilton, and Ms. Mayumi Okamoto. Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Pamela Creedon regularly advises the Central Valley Water Board in other, unrelated matters, but is not advising the Central Valley Water Board in this proceeding. Mayumi Okamoto is an attorney with the State Water Resources Control Board's Office of Enforcement and has not advised the Central Valley Water Board on any matter. Other members of the Prosecution Team act or have acted as advisors to the Central Valley Water Board in other, unrelated matters, but they are not advising the Central Valley Water Board in this proceeding. Members of the Prosecution Team have not had any ex parte communications with the members of the Central Valley Water Board or the Advisory Team regarding this proceeding.

### **Ex Parte Communications**

The designated parties and interested persons are forbidden from engaging in ex parte communications regarding this matter with members of the Advisory Team or members of the Central Valley Water Board. An ex parte contact is any written or verbal communication pertaining to the investigation, preparation or prosecution of the ACL Complaint between a member of a designated party or interested person on the one hand, and a Central Valley Water Board member or an Advisory Team member on the other hand, unless the communication is copied to all other designated parties (if written) or made in a manner open to all other designated parties (if verbal). Communications regarding non-controversial procedural matters are not ex parte contacts and are not restricted. Communications among one or more designated parties and interested persons themselves are not ex parte contacts.

The following communications to the Advisory Board must be copied to all designated parties: Objections to this Hearing Procedure; requests for modifications to this Hearing Procedure; requests for designated party status, or objections thereto; and all written evidence, legal argument or policy statements from designated parties. This is not an all-inclusive list of ex parte communications.

### **Hearing Time Limits**

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each designated party shall have a combined **25** minutes to present evidence (including evidence presented by witnesses called by the designated party), cross-examine witnesses (if warranted), and provide a closing statement; and each interested person shall have 3 minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations,

and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team so that it is received by 5:00 p.m. on **13 January 2011**. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the Central Valley Water Board Chair (at the hearing) upon a showing that additional time is necessary. Such showing shall explain what testimony, comments or legal argument require extra time, and why the Discharger could not adequately provide the testimony, comments or legal argument in writing before the hearing.

A timer will be used, but will not run during Board questions or the responses to such questions, or during discussions of procedural issues.

### **Submission of Evidence and Policy Statements**

**Case in Chief:** The Prosecution Team, the Discharger and each other designated party must submit the following information in writing in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the Central Valley Water Board to consider. Evidence and exhibits already in the public files of the Central Valley Board may be submitted by reference as long as the exhibits and their location are clearly identified in accordance with California Code of Regulations, title 23, section 648.3. Board members will generally not receive copies of materials incorporated by reference, and the referenced materials are generally not posted on the Board's website.
2. All legal and technical arguments or analysis.
3. The name of each witness, if any, whom the designated party intends to call at the hearing, the subject of each witness' proposed testimony, and the estimated time required by each witness to present direct testimony. (This information is not required for rebuttal witnesses or rebuttal testimony.)
4. The qualifications of each expert witness, if any. (This information is not required for rebuttal witnesses.)

The Prosecution Team's information must include the legal and factual basis for its claims against each Discharger; a list or attached copy of all evidence on which the Prosecution Team relies, which must include, at a minimum, all documents cited in the complaint or Staff Report; and the witness information required under items 3-4 for all witnesses, including staff.

The Prosecution Team shall submit one hard copy and one electronic copy to Kenneth Landau and one electronic copy to Alex Mayer. Each other designated party shall submit 3 hard copies and one electronic copy to Kenneth Landau and one electronic copy to Alex Mayer. Kenneth Landau and Alex Mayer must receive all submissions no later than 5:00 p.m. on the applicable due date under Important Deadlines, below.

**Rebuttal:** Any designated party that would like to submit written evidence, legal analysis or policy statements to rebut the information previously submitted by other designated parties shall submit 3 hard copies and one electronic copy of their rebuttal information to Kenneth

Landau and one electronic copy of the information to Alex Mayer so that they are received by 5 p.m. on the due date under Important Deadlines, below. "Rebuttal" means evidence, analysis or comments offered to disprove or contradict other designated parties' submissions. Rebuttal shall be limited to the scope of the materials previously submitted by the other designated parties. Rebuttal information that is not responsive to information previously submitted by other designated parties may be excluded.

Copies: Board members will receive copies of all materials submitted in hard copy or electronic format. The Board's copies will be printed in black and white from the designated parties' electronic copies. Designated parties who are concerned about print quality of all or any part of their written materials should submit a high-resolution pdf or provide an extra nine paper copies for the Board members. For items with voluminous submissions, Board members may receive copies electronically only. Electronic copies are also posted on the Board's website.

Parties without access to computer equipment are strongly encouraged to have their materials scanned at a copy and mailing center. However, the Board will not reject materials solely for failure to provide electronic copies.

Other Matters: By **18 January 2011**, the Prosecution Team shall prepare a summary agenda sheet ("buff sheet") for this item to be included in the Board members' agenda package and posted on the internet. The buff sheet shall clearly state that it was prepared by the Prosecution Team. The Prosecution Team shall provide a copy of the buff sheet to all parties by mail or email.

Interested persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to the Advisory Team as early as possible, but they must be received by **18 January 2011**. Interested persons do not need to submit written comments in order to speak at the hearing.

In accordance with California Code of Regulations, title 23, section 648.4, the Central Valley Water Board endeavors to avoid surprise testimony or evidence. Absent a showing of good cause and lack of prejudice to the parties, the Central Valley Water Board may exclude evidence and testimony that is not submitted in accordance with this Hearing Procedure. Excluded evidence and testimony will not be considered by the Central Valley Water Board and will not be included in the administrative record for this proceeding. Power Point and other visual presentations may be used at the hearing, but their content may not exceed the scope of other submitted written material. Designated parties must provide the Advisory Team with a printed copy of such materials at or before the hearing, for inclusion in the administrative record. Additionally, any witness who has submitted written testimony for the hearing shall appear at the hearing and affirm that the written testimony is true and correct, and shall be available for cross-examination.

### **Evidentiary Documents and File**

The Complaint and related evidentiary documents are on file and may be inspected or copied at the Central Valley Water Board office at 11020 Sun Center Drive, Suite 200, Rancho Cordova, CA. This file shall be considered part of the official administrative record

for this hearing. Other submittals received for this proceeding will be added to this file and will become a part of the administrative record absent a contrary ruling by the Central Valley Water Board's Chair. Many of these documents are also posted on-line at:
