

ITEM: 9

SUBJECT: Long-term Irrigated Lands Regulatory Program Next Steps

BOARD ACTION: *No Board action. Information Item Only.*

BACKGROUND: At its April 2011 meeting, the Board considered a staff proposed “Framework” for implementing the long-term irrigated lands regulatory program (ILRP). The Board did not take action on the Framework, but asked staff to address a number of questions and issues at the next Board meeting. The Board also directed staff to begin developing Orders to address discharges of waste from irrigated lands to groundwater and surface water. The staff presentation will address the issues and questions raised by the Board and outline the next steps in developing Orders to establish the long-term ILRP.

No recommendation, information item only.
