**PUBLIC HEARING**

concerning

**MODIFICATION OF WASTE DISCHARGE REQUIREMENTS ORDER R5-2001-0163**

**CITY OF LOS BANOS**

**FOR**

**CLOSURE OF SOLID WASTE DISPOSAL SITE**

**MERCED COUNTY**

The City of Los Banos (hereafter Discharger) owns and maintains the City of Los Banos Solid Waste Disposal Site located about 2.5 miles north of State Highway 152 and east of State Highway 165 in the City of Los Banos. The facility is currently regulated by Waste Discharge Requirements Order R5-2001-0163. The 50-acre site is inactive and currently designated for land use as a park. The waste management unit occupies approximately 11.6 acres along the northern and western edge of the site. The southerly portions of the site are occupied by two stormwater detention basins, and the westerly portions are occupied by softball fields, a parking lot, and other recreational facilities. The Discharger proposes to clean close the landfill as an alternative to the construction of a prescriptive final cover system. The proposed order modifies Order R5-2001-0163 by adding additional construction specifications for the clean-closure of the landfill. Order R5-2001-0163 remains intact and applicable in all other aspects.
