Re: *Former City of Sacramento Landfill*

Dear Mr. Rosenbaum,

I am writing to you on behalf of the Sylvia Dellar Survivor's Trust ("Trust") who is the successor-in-interest to the holdings of Mr. Lincoln Dellar with regard to the former City of Sacramento Landfill operations in the vicinity of 28th and A Street, Sacramento, California.

In response to the Regional Water Quality Control Board's ("Board") request for comments, the City of Sacramento ("City") submitted its comments to the Board. Although referenced, the Trust has not joined with the comments of the City and instead will defer its response to the Board's request for comments. Comments on behalf of the Trust will be submitted separately.

Thank you for your understanding in this regard.

Sincerely,

SCHARFF, BRADY & VINDING
