Hi Jeff,

Let me know if you need any other files scanned; we'll be happy to help, though we will be closed from December 23 until January 2, so I will most likely be intermittently checking email.

Again, sorry for the issues with the electronic transmission of the files; with all the holiday shipping and mailing, I thought it might be faster for you and your team. If you'd prefer a disc in the future, just let me know.

Best wishes,

Thanks Rachael, I think I have all of the files in the folder (6 of them) plus the invoice which I will start processing. Regards, Jeff H.

Dear Jeff,

I'm sorry for the error in the folder; I've tried to re-share the folder but I'm receiving an error message. I'm going to attach the smaller files to this message and then send the other files individually. I'll also attach the invoice for this order.

About the letters from November and December 1951, the letter for November 6th, 1941 was not in file 303.01.

These are the letters nearest to that date, however:

November 5th--JR Walker to Board of Directors of Walker Mine
November 12th--Lyon to Gidel
November 13th--Chamberlain to Gidel
December 4th--Perry to Sales
December 6th--Sales to Elton
December 15th--Chamberlain to Gidel

Do let me know if there's anything else that I can assist you with. If you could let me know that you're able to open the larger files, that would be great. Again, I apologize for the inconvenience.

Best,

Rachael

Hi Rachael,

I am able to get to the folder, but it does not appear that there are any files within the folder or maybe I dont have permission to access the folder and therefore I cant see the files? Any ideas?
