Subject: Public Hearing for Larry & Shireen Slate Administrative Civil Liability Complaint

On 12 September 2014, the Assistant Executive Officer of the Central Valley Water Board issued an Administrative Civil Liability Complaint ("Complaint") to Larry W. & Shireen I. Slate ("Slate") for failure to obtain regulatory coverage for commercial irrigated lands.

The Complaint and related documents can be viewed here under Merced County:

On 26 September 2014, the Advisory Team to the Central Valley Water Board notified the Prosecution Team of the Davis Trust ACL Complaint case that, because of its precedential nature, settlement of this case merits consideration by the full Board. Because the Slate ACL Complaint case is similar to the Davis Trust case, the Prosecution Team has determined that the Slate case should also be considered by the Board. The Slate ACL Complaint has therefore been tentatively scheduled as an agenda item for the **4/5 December 2014 hearing**.
