Brett,

I have attached our current list of members who have not turned in a Farm Evaluation survey for 2014 farming practices. I have separate tabs based on vulnerability and survey history.

The tabs are described below:

Tab1: High Vulnerability - No Survey: Members who have at least one High Vulnerability Surface or Groundwater parcel that have no survey on file.

Tab2: Low Vulnerability - No Survey: Members with only low vulnerability parcels who do not have a survey on file.

Tab3: High Vulnerability - 1 Survey: Members who have at least one High Vulnerability Surface or Groundwater parcel that have the 2013 survey turned in but no survey for 2014.

Tab4: Tenant Not Complying For Member: Members who we know have a lessee/tenant who would be responsible for filling out the survey on their behalf.

Thank you

Hello Parry,

If, despite your Coalition's best efforts, there are still members who have not provided Farm Evaluations, please pass the list along to me and board staff will begin the progressive enforcement process: Notices of Violation, then pre-ACL letters with substantial proposed fine amounts.

Thanks,  
-Brett

Brett,  
We have 3 member meetings next week and are going to make one more attempt to get members to get their farm evaluation in to us. When they check in we'll run their name against the FE delinquent list. We'll also send a last reminder to those who we don't get next week, giving them until Nov 16 to get us their FE.  
Then we'll get you the list of those who don't respond.  
Does that work?  
Parry

Hello Parry,  
If you have a list of coalition members who are in need of an NOV for failure to provide a farm evaluation, please pass the list along and I'll make the arrangements.
