

# Your Farm Evaluation Is Late!

Disregard this notice if you have recently mailed your Farm Evaluation

The deadline is past due but please complete and return your Farm Evaluation ASAP.

The Water Board expects 100% of our members to submit a Farm Evaluation. To date we have 59% returned. Please return your survey as soon as possible. If not returned, the Water Board may send a Notice of Violation with possible fines of \$1,000 per day for every day the survey is late.

Your information will be combined with other members in a summary report.
