**APPROVAL OF SEPTEMBER AND DECEMBER MINUTES**

Minutes for the September and December Board meetings were approved, moved by Ms. Maki seconded by Ms. Mulholland.

**BOARD MEMBER COMMUNICATION**

Ms. Maki suggested to the board that in order to save some time, Board members should submit most of their board communications via email to the Executive Assistant to be included in the minutes.

Ms. Maki submitted the following via email:

- Attended three Auburn City council meetings regarding the local WWTP.
- Communicated and met with Bill Carpenter regarding his work to get approval to put in a non-traditional drip-dispersal system on his property in Auburn.
- Met with Richard Sykora and his two sons who gave an overview of their mining operation in Foresthill.
- Attended WQCC in Sacramento on December 11.

Mr. Odenweller submitted the following via email.

- Participated in a telephone conversation with Bill Jennings to discuss the Prospect Island hearing, on December 6.
- Met with Bill Jennings and discussed the actions at the December 6 meeting, provided the updated FMWT data to him, on December 9.
- Attended the SWRCB WQCC meeting at the Doubletree in Sacramento, on December 10.
- Attended CDFG Fish Screening meeting at UC Davis on December 17.
- Attended CV Salts Public Outreach Committee meeting at RWQCB office in Rancho Cordova, on December 18. Also previewed videotape of program.
- Talked to Bill Jennings about FMWT final results for 2008, then updated the spreadsheets and forwarded them to him on January 9.
- Talked to Jerry Morinaka of CDFG, about fish salvage protocols on January 10.
- Met with Dorian Fougères of CalFed at the Stockton DFG office re: Fish and Wildlife studies (historical). Also discussed the plight of the Tulare Basin groundwater sources, on January 12.
- On January 15, reviewed an article for Dorian Fougères relating to the Central Valley and Environmental Justice.

Dr. Longley commented on the Anaerobic Manure Digesters meeting held on January 8, as mentioned in the EO report. He said the board is working to obtain funding for a CEQA document to support a general order for manure digesters. These digester systems can be part of the long-term salinity effort. Dr. Longley congratulated the Executive Officer for her excellent presentation of a salinity paper at the Las Vegas Salinity Forum.

Dr. Longley reported the following communications:

- On January 22, together with Ms. Creedon, briefed Linda Adams, CalEPA Secretary, and Undersecretary, Cindy Tuck.
- Attended the 6<sup>th</sup> Multi-Salinity Coalition symposium in Las Vegas, January 16-18, with Ms. Creedon.

In addition, Dr. Longley submitted the following via email:

- Participated in the Chairs meeting via teleconference, on December 7.
- Met with Tulare County Health Officials and other interested parties re: Planning to Address Nitrate Issues in Rural Disadvantaged Communities, on December 19. The meeting was held in Visalia.
- Meeting with Tim Johnson, (California Rice Commission), and Pamela Creedon on December 27<sup>th</sup>.
- Participate in a conference call with Pamela Creedon and Daniel Cozad to review the Salinity program.
- Attended a meeting with Senator Cogdill, together with Pamela Creedon to discuss water quality issues, on January 9.
- Met with Tulare County health officials and other interested parties re: Planning to address Nitrate issues in the rural disadvantaged communities, on January 14.

Mr. Betancourt submitted the following via email:

- Participated in a conference call with Dr. Longley, Ms. Pamela Creedon and Joe Karkoski, regarding the Irrigated Land Program on December 29.
- Had a telephone conversation with Nick Higgins of Dow Elanco on January 7 and re-affirmed that they need to be proactive in public education with growers if they want to continue marketing their products.
- Met with Dave Orth and Dave Cone of KRDC on January 8 to discuss the possibility of a revolving fund for modernizing farm chemical application equipment to eliminate drift and target applications.

Ms. Mulholland reported the following communication:

Ms. Mulholland reported meeting with Dick Schaefer of R.L Schaefer and Associates regarding the Irrigated Lands Program and some of the public comments they intended to make, some of the successes they have encountered and a philosophical discussion of the appropriateness of upper watershed monitoring.

In addition, Ms. Mulholland submitted the following via email:

- Attended the WQCC meeting in Sacramento.
- Attended the IRWMP meeting in Tulare County on behalf of SRT.
- Met with Ray Gene, dairyman, and discussed dairies and some of their efforts to comply with water quality.

Ms. Hart attended the Advisory Committee meeting on December 19, per Dr. Longley's request.

## **PUBLIC FORUM**

There were no speakers during the public forum.

## **EXECUTIVE OFFICER'S REPORT**

Executive Officer, Creedon mentioned about the late addition to the EO report from the Dairy unit. She also mentioned that the Regional board had started providing the Irrigated Lands Regulatory Program EO report in the Spanish language.

Karen Larsen provided an update on the POD and the general work on the Delta. She said that she will have a progress report by the April board meeting. Dr. Longley commended Karen and her staff for an outstanding job.

Dr. Longley commended the Executive Officer for her action regarding Dixon (item 5) and for the Seeno settlement (item 6), and said that the mine cleanups represent a lot of ongoing work (item 24) and that we are not announcing our successes well.

Pamela Creedon commended the Employees of the Month.

## **ELECTION OF CHAIR**

Cheryl Maki and Sandra Meraz headed the committee to appoint Chair and Vice Chair. The committee nominated Dr. Karl Longley as Chair and Ms. Kate Hart as Vice-Chair. There were no objections to these appointments.
