

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
COLORADO RIVER BASIN REGION

ORDER NO. 77-80

WASTE DISCHARGE REQUIREMENTS
FOR
MONROE MOBILEHOME PARK
South of Indio - Riverside County

The California Regional Water Quality Control Board, Colorado River Basin Region, finds that:

1. Prince Pierson (hereinafter also referred to as the discharger) 45-531 Rancho Palmeras Dr., Indian Wells, California 92260, submitted a Report of Waste Discharge dated July 13, 1977.
2. The discharger proposes to discharge an average of 9,850 gallons-per-day of domestic sewage from a mobile home park designed to have 37 mobile home spaces, 4 recreational vehicle spaces, one laundry room and one restroom. The wastewater is to be disposed of by means of septic tanks and leach lines, located in the S $\frac{1}{2}$, SE $\frac{1}{4}$, SE $\frac{1}{4}$ of Section 3, T6S, R7E, SBB&M.
3. The discharger has reserved areas of sufficient size for 100% replacement of each of the leach fields. These areas are designated on Attachment "A" incorporated herein and made a part of this Order.
4. The discharger proposes to periodically dispose of swimming pool wastewater by irrigating landscape plantings.
5. The disposal site is approximately two (2) miles from the nearest sewer line, which is located near the intersection of Avenue 48 and Monroe Street.
6. The Water Quality Control Plan for the West Colorado River Basin was adopted by the Board on April 10, 1975. The Basin Plan contains water quality objectives for Coachella Hydrologic Subunit.
7. The beneficial uses of the groundwaters of the Coachella Hydrologic Subunit are:
 - a. Municipal supply
 - b. Industrial supply
 - c. Agricultural supply

*Revised
9/22/82
82-36*

8. The Riverside County Planning Department has prepared Negative Declaration EA 5184 (filing date April 11, 1977) for this proposed mobile home park. This report states that this project will not have any significant adverse effects on the environment.
9. The Board has notified the discharger and interested agencies and persons of its intent to prescribe waste discharge requirements for the proposed discharge.
10. The Board in a public meeting heard and considered all comments pertaining to the proposed discharge.

IT IS HEREBY ORDERED, the discharger shall comply with the following:

A. Discharge Specifications

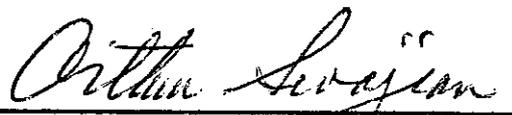

1. Neither the treatment nor the discharge of wastewater shall create a pollution or a nuisance as defined in the California Water Code.
2. No wastewater other than domestic sewage and swimming pool wastewater shall be discharged at this location.
3. Sewage effluent discharged subsurface shall be retained underground with no materials of sewage origin evident on the ground surface.
4. There shall be no discharge of sewage within 200 feet of any water supply well.
5. Adequate protective works shall be provided to assure that flood or surface drainage waters do not erode or otherwise render portions of the treatment and discharge facilities inoperable.
6. Septic tank cleanings shall be discharged only by a duly authorized service.

B. Provisions

1. The areas reserved for 100% replacement of the leach fields, as shown on Attachment "A", shall at all times be retained servient to this mobile home park, for the purpose of providing additional subsurface sewage disposal capacity, until such time as this park is connected to a municipal sewerage system.

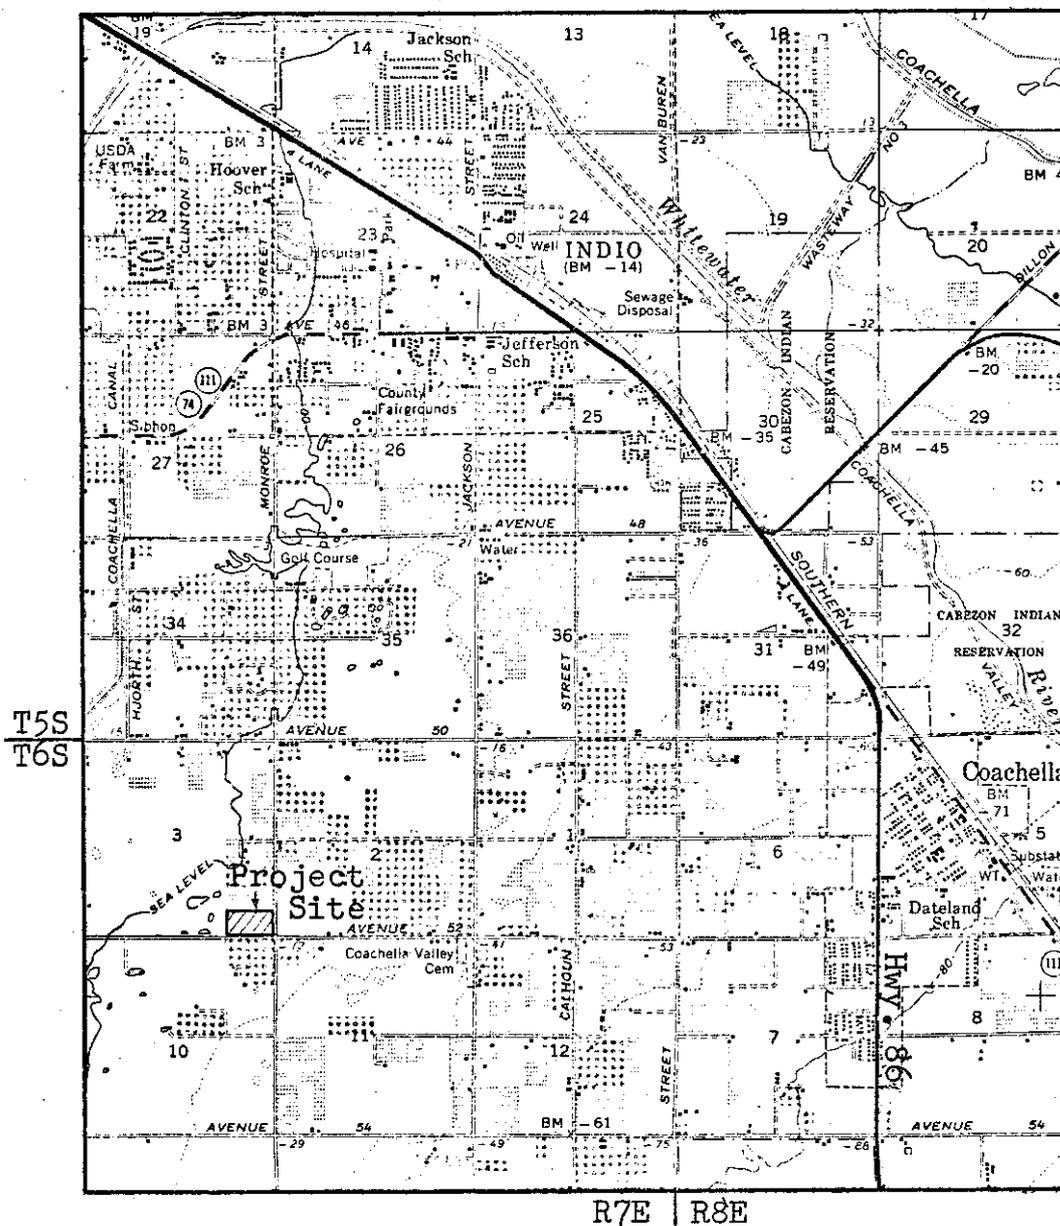

2. Upon request from this Board's Executive Officer, the discharger shall furnish technical and/or monitoring reports on the treatment and discharge of waste.
3. Prior to any modifications in this facility which would result in material change in the quality or quantity of wastewater discharged, or any material change in location of discharge, the discharger shall report in writing to the Regional Board.
4. Prior to any proposed change in operation, or in control or ownership of the land upon which the discharge facilities are located, the discharger shall report in writing to the Regional Board.
5. Prior to any future sale of this mobile home park, the discharger shall:
 - a. Specify as a condition of sale that said sewage disposal area must remain servient to the park, for the purpose of providing additional subsurface sewage disposal capacity, until such time as this mobile home park is connected to a municipal sewerage system.
 - b. Notify the succeeding owner, in writing, of the existence of this Order, and forward a copy of said correspondence to the Regional Board.

I, Arthur Swajian, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Colorado River Basin Region, on November 16, 1977.
