**Project Name:**

County of Imperial - Sunbeam Lake Project - WDID No. 7A133080001

**Receiving Water:**

Sunbeam Lake drains into the New River

**Location:**

City: Seeley, County: Imperial, Longitude/Latitude: 115°41.17'W/32°46.95'N

Township/Range: 16 South/12 East

**Project Description:**

The project site has been owned and operated by the County of Imperial as a regional park for over 40 years. The park is an 18-acre man-made lake called Sunbeam Lake. Currently, several areas of the park, and in particular the lake, could pose a potential public health and safety risk due to erosion and sedimentation, needed repairs, lack of safe access, etc. The County is making effort to upgrade this park to meet minimum safety standards and to enhance the viability and usability of the park.
