

Notice of Decision

TO: John Laird
Secretary of the California Natural Resources Agency
1416 Ninth Street, Suite 1311
Sacramento, CA 95814

FROM: Colorado River Basin Regional Water Quality Control Board
73-720 Fred Waring Drive, Suite 100
Palm Desert, CA 92260

SUBJECT: Filing of Notice of Decision in Compliance with Section 21080.5 of the Public Resources Code

PROJECT PROPONENT: Colorado River Basin Regional Water Quality Control Board

PROJECT TITLE: An Amendment to the Water Quality Control Plan to Incorporate the Standards Established in the Onsite Wastewater Treatment Systems Policy

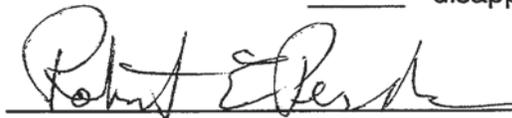

LOCATION: Colorado River Basin Region

DESCRIPTION: This Amendment revises sections of the Basin Plan that discuss septic systems by incorporating by reference without change the State Water Board's Onsite Wastewater Treatment System (OWTS) Policy into the Basin Plan and deleting those sections of the Basin Plan that were superseded by the OWTS Policy.

CONTACT PERSON: Jon Rokke, (760) 776-8959

This is to advise that the Colorado River Basin Regional Water Quality Control Board has made the following determination regarding the above described project:
