CITATION FOR NONCOMPLIANCE
2012 CONSUMER CONFIDENCE REPORT

May 19, 2014

Section 116650, Chapter 4 of the California Health and Safety Code (CHSC), authorizes the issuance of a citation for failure to comply with a requirement of the California Safe Drinking Water Act, or any regulation, standard, permit, or order issued thereunder.

VIOLATION

The Drinking Water Field Operations Branch of the California Department of Public Health (hereinafter Department) hereby issues a Citation to the Easton Presbyterian Church (hereinafter 'Water System') for failure to comply with Section 116470 of the CHSC and Section 64480(a) of Title 22, California Code of Regulations.

1 Specifically, the Water System (mailing address: 5895 South Elm Avenue, Fresno, CA
2 93706) failed to distribute by July 1, 2013, a Consumer Confidence Report (CCR) to each
3 water system customer providing specific information on the water quality served to
4 consumers during the year 2012. The CCR is to provide, as a minimum, specific
5 information on concentrations of microbiological contaminants, minerals, physical agents,
6 inorganic chemicals, organic chemicals, and radioactivity which are present in the water
7 supply. Regulations requiring community and nontransient noncommunity water supply
8 systems in California to provide a CCR to customers were adopted and effective on May
9 26, 2001. Additionally, beginning in 2011, CDPH implemented an electronic process for
10 receiving the CCR for your water system through the DRINC portal also used for the
11 *Annual Report to the Drinking Water Program.*

15 By letter dated October 1, 2013, the Department sent a reminder letter to the Water
16 System, establishing an extended deadline of October 15, 2013, for distribution of the 2012
17 CCR to its consumers as well as a deadline of October 20, 2013 for the electronic
18 uploading of the CCR via the DRINC Portal and the submittal of the 2012 CCR
19 Certification Form to the CDPH Fresno District Office. As of the date of this Citation, the
20 As of the date of this Citation, the Department has not received a copy of the 2012 CCR
21 provided to customers or the certification form and therefore finds the Water System to be
22 in violation of this requirement.
